UPCOMING EVENT THIS WEEK:

YOU are invited to our second #CouchParty to come together with the When We All

Vote community and talk about how we can continue to make a difference together during this time.

7:15pm ET | To kick things off, we will host a When We All Vote Action Call with a special guest at 7:15pm ET on Monday, April 20. Please enter your cell phone number and check the consent to text box so that When We All Vote can contact you with call-in information.

8:00-9:00 pm ET | Join our When We All Vote party OR host your own Virtual #CouchParty with your friends, your family, your #CouchParty cliques, dogs, and your sweet babies. From a safe distance, there are a number of ways we can make an impact together to ensure people are registered and ready to vote! By hosting your own virtual #CouchParty, you may receive a social media shout-out from a celebrity co-chair!

We are forwarding an invite from When We All Vote for the April 20th Couch Party to collectively activate a nationwide texting campaign through "friend-to-friend" texting about registering to vote and voting by mail. We will focus on reaching out to our own personal networks via [Out Vote](#) (code 900156) or your own personal contact list.

EQUITABLE CIVIC ENGAGEMENT CHAMPIONS

Cleveland VOTES is incredibly grateful to each of our **Equitable Civic Engagement Champions!** This week we are highlighting our April 2020 Primary Election Grantees and Partners. As folks know, due to COVID-19 Ohio's Primary has been extended through April 28, 2020. The other new element that many Ohioans may not be accustomed to is that this Primary Election will be vote-by-mail only!

With that said, we reached out to a few existing partners who are trusted messengers in the community and/or with specific hard to reach voters. The Cleveland VOTES team has worked with each of our partners to customize and co-create a Vote-by-Mail (VBM) Get-Out-to-Vote (GOTV) plan. Our grantee partners will collectively make vote by mail applications available to their constituents, engage local essential businesses to help spread the word, leverage their social media platforms and embed VBM GOTV messaging in existing programs and *virtual* outreach (just to name a few!). Please join us in thanking the following partners:

Burten, Bell, Carr Development
Detroit Shoreway Community Development Organization and Cudell Improvement, Inc.
Greater Collinwood Development Corporation
Midtown Inc.
Northeast Ohio Coalition for the Homeless
Old Brooklyn Community Development Corporation

Slavic Village Development

DID YOU COMPLETE THE CENSUS? CENSUS UPDATES

The 2020 Census is underway and more households across America are responding every day. Online, phone and mailed self-responses will continue throughout the data collection process. In light of the COVID-19 outbreak, the U.S. Census Bureau is adjusting 2020 Census operations in order to:

- Protect the health and safety of the American public and Census Bureau employees.
- Implement guidance from Federal, State, and local authorities regarding COVID-19.
- Ensure a complete and accurate count of all communities.

Under the adjusted 2020 Census operational plan, field activities would resume after June 1, 2020, as Area Census Offices begin returning to full staff capacity. In-person activities, including enumeration, office work, and processing activities, will incorporate the most current guidance from authorities to ensure the health and safety of staff and the public.

The self-response deadline is NOW October 31, 2020
