WHAT DOES AN EQUITABLE CENSUS LOOK LIKE?

Our vision is that all Clevelanders are counted and will receive the necessary resources for the next 10 years. Who stands the risk of not being counted? Our hard to count (HTC) communities. See below and learn more, so we can ensure a complete count.

MEET CAMERON:
A Bi-racial male, 23 years of age currently living in the Central neighborhood (44115). His HTC factors include race/ethnicity, has a lack of trust in government, lives in unstable housing and he is a military veteran.
